

# MBA & Senior Law Center Prepare “Wills for Seniors”

The MBA’s Elder Law Committee and Diversity, Equity, and Inclusion Committee joined forces with Senior Law Center to host a “Wills for Seniors” event at the Montgomery County Senior Adult Activities Center (Montco SAAC) in Norristown on September 29, 2021.

Over 20 volunteer attorneys prepared estate planning documents for senior county residents of limited means. These documents included simple wills, financial powers of attorney, healthcare powers of attorney, and living wills, and were provided to a dozen seniors free of charge. Thank you to Senior Law Center for helping to coordinate the event and to Montco SAAC for providing us with space to host the event.
