To Our Friends and their Families from Berk Elder Law:

Most importantly, we wish you and your families good health and strength to face the challenges presented to us all now.

In light of the precautions being taken to safeguard your families in facilities due to COVID-19, we are unable to visit nursing homes and personal cares homes. Here is a link with information about Corona Virus (COVID-19) from the Centers for Disease Control and Prevention (CDC). <https://www.cdc.gov/coronavirus/2019-ncov/index.html>

Our office continues to work remotely on behalf of you and your family's well-being. Although government and courts are closed, we continue to work on your behalf. We have obtained extensions where necessary and all hearings have been rescheduled. *We continue to closely work on and monitor each and every one of your cases and legal matters.*

We can speak by telephone and/or email you until such time as we can all meet again, pursuant to the Governor's directives. Planning now will enable us to be ready to meet and sign documents in the future to protect you and your loved ones.

Please feel free to call us with any questions about office procedures and getting started or continuing our representation of you and your family.

We will continue to do our very best for you and wish you all good health.
